Member of the PLENNEGY GROUP

Available in 100g

KOMBAT ANT DUST is an insecticide dusting powder for the control of household pests like fleas, bedbugs, cockroaches and ants.

COMPOSITION

Active Ingredient

Mercaptothion (Organophosphate) - 10g/kg

Permethrin (Pyrethroid) - 1,5g/kg

USES AND BENEFITS

KOMBAT ANT DUST controls household pests like fleas, bedbugs, cockroaches and ants.

METHOD OF APPLICATION

Apply Ant Dust liberally and evenly to all sites visited by the pests. Do not apply on open food or utensils.

KOMBAT ANT DUST is classified CAUTION with blue band.

CAUTION

WARNINGS

- Handle with care.
- Poisonous by contact, swallowing or inhalation.
- Toxic to fish.
- Relatively non-toxic to honey-bees.
- May cause skin irritation.
- Keep out of reach of children, animals and uninformed persons.
- Store in a cool place away from food and feed.
- Use of this material in a manner other than in accordance with directions, may injure plants or produce undesirable results.

PRECAUTIONS

- Do not inhale spray mist.
- Wear gloves when preparing the spray mixture.
- Wash clothing if contaminated.
- Wash immediately after accidental skin contact with soap and cold water.
- Do not eat, drink or smoke whilst applying, mixing or before washing hands and face.
- Prevent contamination of fish ponds, food, eating utensils and drinking water.
- Clean applicator thoroughly before re-using with other material.
- Dispose of wash water where it will not contaminate edible crops.

PLEASE READ THE LABEL BEFORE USE.
