Member of the PLENNEGY GROUP

Available in 500ml

KOMBAT WIPE-OUT RTU is a ready to use, systemic herbicide for the control of a wide range of annual and perennial weeds.

COMPOSITION

Active Ingredient

Glyphosate (glycine) - 16.4g/ℓ

Glyphosate ammonium salt - 18.1g/kg

USES & BENEFITS

KOMBAT WIPE-OUT RTU is a ready to use spray for use on patios, rockeries, driveways and paths and controls unwanted grasses and weeds.

WIPE OUT RTU is a Ready to use product and needs no dilution. This product is developed to have a minimum concentration of 1.6% with a shelf life of 2 years. Apply WIPE-OUT RTU, up to the point of run-off, to broadleaf weeds and unwanted grasses (e.g. Kikuyu, Kweek) around lawn and garden borders, paths, patios, rockeries, driveways, etc. Hardier weeds will need a follow-up treatment after a week or two after re-growth are noticed.

KOMBAT WIPE-OUT RTU is classified CAUTION with blue band.

CAUTION

WARNINGS

- Handle product with caution.
- Irritating to eyes and skin.
- Harmful when swallowed.
- Store in a cool, dry, well-ventilated place.
- Store away from food, feeds, seed, fertilizers and other agricultural chemicals.
- Keep out of reach of children, uninformed persons and animals.
- Re-entry: Do not enter treated area until spray deposit has dried unless wearing protective clothing.

PRECAUTIONS

- Do not inhale the spray mist or spray fumes.
- Wear a face shield and rubber gloves when handling and preparing the product and when applying the spray mixture.
- Avoid skin and eye contact.
- Do not eat, drink or smoke while mixing and applying product, or before washing hands and face or change of clothing.
- Wash with soap and water immediately after use or accidental skin contact.
- Wash contaminated clothing after use.
- In case of contact with eyes, immediately flush the eyes with clean, gently flowing lukewarm water or saline solution for 20 minutes, holding the eyelid(s) open. If irritation persists, seek medical advice.
- Prevent drift of spray onto other plants, fish ponds or areas not under treatment as this may cause serious plant damage.
- Containers must be completely emptied before being disposed of in a safe way.
- Do not re-use the empty container/package for any other purpose.
- Prevent contamination of food, feeds, drinking water and eating utensils.
- Direct or spray drift contact by WIPE OUT RTU onto leaves and/or immature bark of desired plants can result in serious localised or trans- located damage.

PLEASE READ THE LABEL BEFORE USE.
